FRENCH PAINTING »

PAUL GAUGUIN AREAREA 1892
PAUL GAUGUIN AREAREA OU LES
JOYEUSES
describe

In this colorful painting I can see women , some dancing and two others sitting, a woman playing the flute and the other woman is looking at us these women are very beautiful .

Do you like it ? , Why ?

Yes , we like it because it's a colorful painting and it's very interesting to look.

Why is it representative of France ?

It's not representative because these women are not French, they are thaitiennes origin. But Gauguin was french.

EIFFEL TOWER

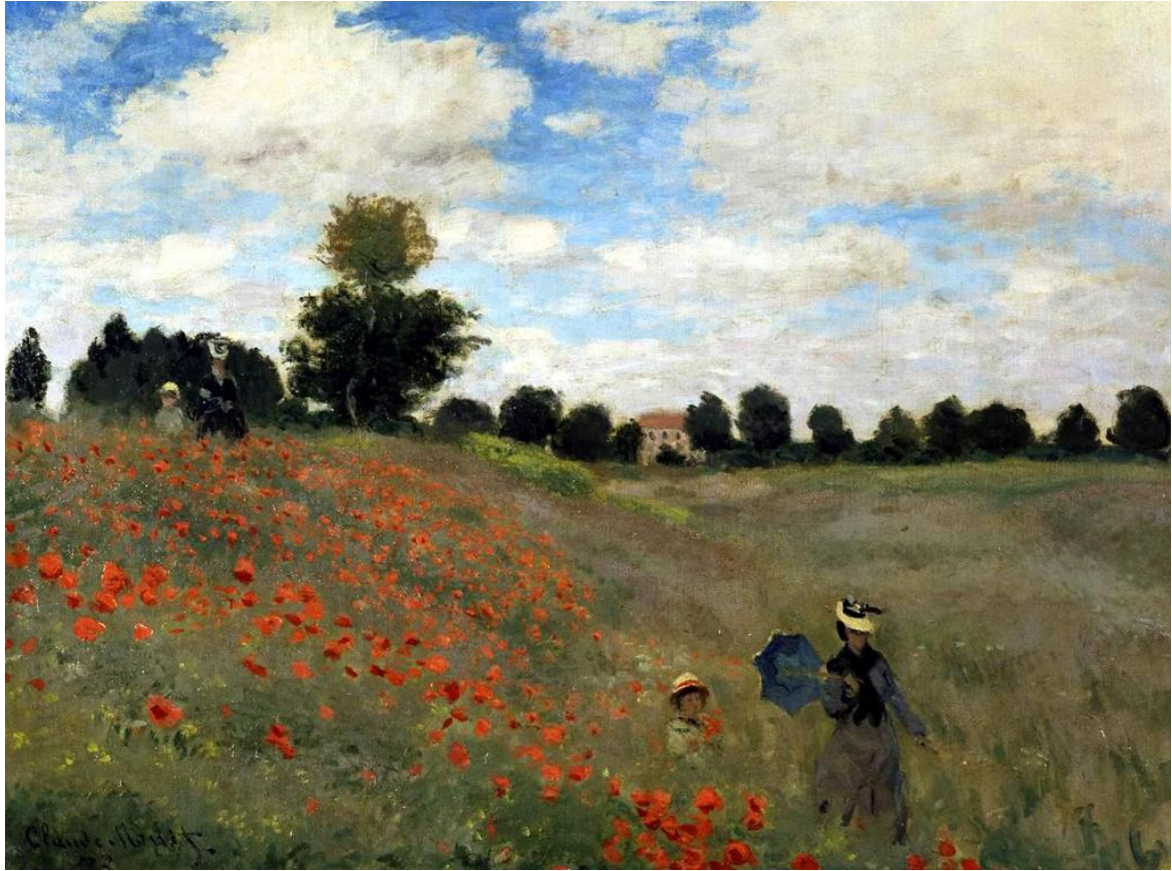

This document is a painting, it was made by Robert Delaunay. He was born in 1885 in Paris and he was born in 1941 . He was a famous French painter .I can see a red Eiffel Tower in the center and flats on the right and on the left . There is brown and grey . There are a lot of windows .Behind the Eiffel Tower they are blue,white,yellow... .The scene takes place in a street of Paris.

I like it a little because there are a lot of colours but I don't like that because there are no people and I don't like the style.

It is representative of France because it is the Eiffel Tower . The Eiffel Tower is in Paris , the capital of the France and it is

a very famous monument .
Juliette and Laure

THE POPPIES

This document is a painting.

The author is Claude Monet, this painter was French, he was born in 1840 and he died in 1926.

The colors in the painting are red, yellow, orange, light blue, outremer blue, white, grey, green, black, brown, purple, beige.

There are in the foreground two characters: one woman and one child, the poppy and the grass. In the background there are some trees, a house, and also two characters one woman and one child and the sky. We like the painting because we love the colors, the composition, and the country. The painting is excellent and interesting.

Camille and Tiffany

Delacroix – La liberté

The picture was painted by Delacroix . It was

Painted in 1831 . We can see dead peoples . That teaches us the history of France . We can see buildings in the background.

This picture represents the French revolution . In the foreground , we can see a woman ,she represents freedom. The woman carries the flag of France in the right hand .

We can see weapons. This picture shows us the violence of the French revolution.

We like the picture because it represents the French revolution .

It shows France because I can see a flag of France .

Leila and Coumba

VIVE L' AMOUR

This document is a painting and the title of the painting is Vive l'amour.

It was painted by Niki de Saint Phalle in 2006.

We can see a tree, with many different colours and a couple.

The woman is wearing a blue and red dress and red shoes.

The man is wearing a white sweater and red jeans.

It represents France because there are the colours of the country and France represents love

We like it, because this tree is beautiful, original and amusing.

Inès, Fernanda and Laura

Woman With Guitar

The document is a painting.

The painter is Georges Braque.

The title is The woman with a guitar.

I can see a woman.

The character is holding a guitar.

She is standing.

In the middle there is a woman.

I don't like the painting because we do not see the woman.

It is representative of France because The painter is french and belongs to the cubism movement.

Marion and Elodie

Moulin rouge

the red mill is a painting which measures 191 X 117 cm . it is in the many museums because there are 3000 different copies .

The painting has lively colors .

the description of painting : in the painting I can see many people in the background .

I dislike this painting because it is ugly .

this painting represents France because at paris there is Moulin rouge .
